

# Neon (Live at Rock In Rio 2013)

[John Mayer](#)

When sky blue gets dark enough  
To see the colors of the city lights  
A trail of ruby red and diamond white  
Hits her like a sunriseShe comes and goes and comes and goes  
Like no one canTonight she's out to lose herself  
And find a high on Peachtree Street  
From mixed drinks to techno beats it's always  
Heavy into everythingShe comes and goes and comes and goes  
Like no one can  
She comes and goes and no one knows  
She's slipping through my handsShe's always buzzing just like  
Neon, neon  
Neon, neon  
Who knows how long, how long, how long  
She can go before she burns awayI can't be her angel now  
You know it's not my place to hold her down  
And it's hard for me to take a stand  
When I would take her anyway I canShe comes and goes and comes and goes  
Like no one can  
She comes and goes and no one knows  
She's slipping through my handsShe's always buzzing just like  
Neon, neon  
Neon, neon  
Who knows how long, how long, how long  
She can go before she burns away
