Tower of London

ABC

Let me take you to Trafalgar Square
Let me take you there
Every streets a fashion catwalk, everyones debonair
Let me take you to Piccadilly guess it leads somewhereTower over centuries, tower over London
Tower up and frankly Im amazed
Whats done cannot be undone, not here not in London
Whats done can never be erasedSo, tower up, its those little things
Make life interesting, tower of London
Tower up wasting time
Yours and mine, tower of LondonLet me take you to St.Jamess Square
Let me groove you there
Diplomats get target practice in the open air
Psychobillies scream blue murder then they hit MayfairTower over centuries, tower over London
Tower up and frankly Im amazed
Whats done cannot be undone, not here not in London
Whats done can never be erasedSo, tower up, its those little things
Make life interesting, tower of London
Tower up wasting time
Yours and mine, tower of London
London hey, London, heySo, tower up, its those little things
Make life interesting, tower of London
Tower up wasting time
Precious time, tower of LondonTower up Ill meet you there
Ill be there tower of London
New York dont make me laugh
Ive seen photographs tower of London
