River Below

[Billy Talent](#)

Rejected since day one
My name is bastard son
I've been damned so many times I've lost count
Blue collar, working man
Devises master-plan
Bipolar with a mental side armI'm sick and I'm twisted
I'm broken; you can't fix it
Don't make me 'cause I'll do it
Red button and we'll all goInto the river below, I'm running from the inferno
You'll think I'm insane, but you'll all know my name
Into the river below, I'm running from the inferno
I'll take all the blame, the front page, and the fameContraption made of bones
Nuts and bolts creates the
New monster to burn your family tree down
Tick-tocking--time's up now
Split second--the world frowns
Lonely heart--never had nobodyI'm sick and I'm twisted
I'm broken; you can't fix it
Don't make me 'cause I'll do it
Red button and we'll all goInto the river below, I'm running from the inferno
You'll think I'm insane, but you'll all know my name
Into the river below, I'm running from the inferno
I'll take all the blame, the front page, and the fame
I'll take all the blame, the front page, and the fame[Repeat: x4]
Into the river belowInto the river below, I'm running from the inferno
You'll think I'm insane, but you'll all know my name
Into the river below, I'm running from the inferno
I'll take all the blame, the front page, and the fame
Yeah, I'll take all the blame, the front page, and the fame
