

# I Still Miss Someone

## The Statler Brothers

I still miss someone  
At my door the leaves are falling  
A cold wild wind will come  
Sweethearts walk by together  
And I still miss someone I go out on a party  
And look for a little fun  
But I find a darkened corner For I still miss someone  
No I never got over those blue eyes  
I see them everywhere  
(I miss those arms that held me)  
When all the love was there And I wonder if she's sorry  
(If she's sorry)  
For leaving what we'd begun  
But there's someone for me somewhere  
And I still miss someone
