Hook:

Talk stupid hate on me, it aint nothin but motivation
You jus wanna be a nigga, it aint nothing but motivation
Tryin spray me on the low, It aint nothin but motivation
Countin these racks evrey day, it aint nothing but motivation
Motivation, motivation, it aint nothing but motivation
Motivation, motivation, it aint nothing but motivation
Motivation, motivation, it aint nothing but motivation

I'd ask you for what it is, it aint nothing but motivation Vrs 1:

Watch came in jeweler said come pick it up, Said I aint wearing that, he better ICE it up

When I used to rob my favorite line was Nigga give it up

I went ta buy one of them things, I told em weigh it up

These niggas hatin on me Cuz, but they aint hating enough

Just counted a half a M, thats how i got these paper cuts

I'm in that white double R (Rolls Royce) nigga with white guts

I got that Henney VSOP nigga in a white cup

the only Nigga they let in the club that they dont search

You tell that pussy nigga I said get his CASH UP

Ya'll got it all wrong, ya'll got it backwards, I need the motivation, I dont care what ya hatin for Hook:

Just sent some money to my nigga in prison the other day

He said them niggas say i'm the realist nigga the eva seen

He either broke or he a rapper he talkin sideways

I'm either drunk or in some pussy, I'm on a Rampage

Nigga i'm a nice guy I'll give yo ass the whole Cake

When i was broke i guess nobody had shit to say

When i was losin nigga told me I was super great
Now that im winnin niggas out here dropin super weight
A real nigga i would rather have it no other way
motivation nigga thats all that i gotta say!
