Lowrider

Flipper

1, 2, 3, 4So you're a lowrider, man Walkin' down the street Get into your lowrider All those girls you'll meet Get out after school just to play it coolLowrider LowriderSo you go to class at school And you're acting real cool With those girls in their catholic dresses You want to be real nice But you know they're just your viceLowrider Lowrider A manLet's go down to target video And beat up some punk rockers Snort some dust and cruise slow And slower they have those punk rock Parties at target, we gonna beat them upSay lowrider LowriderNa, you guys are fucking boring Maybe not you two The rest of you just standing there Like a fucking bunch of dullsWhy don't you try And do something at least? Try and kill each other you know That's better, kiss my bootsLowrider
