

# Loose Talk (Re-Recorded)

Carl Smith

So long we've been married, life's burdens we carried  
Though they kept us humble and made our love true  
The plans that we made up, someone seems to break up  
Oh, darlin', what else can we do? We may have to leave here to find peace of mind, dear  
Some place where we can live a life all our own  
For I know you love me and happy we could be  
If some folks would leave us alone While I go out walkin' there's lots of loose talkin'  
They say we're unhappy and we'll break apart  
But, darlin', it's not true because I still love you  
And I do with all of my heart We may have to leave here to find peace of mind, dear  
Some place where we can live a life all our own  
For I know you love me and happy we could be  
If some folks would leave us alone They say you are leavin', that you are deceiving  
But you tell me they say the same about me  
But we'll show them they're wrong that loose talk will do harm  
And hope that the truth they will see We may have to leave here to find peace of mind, dear  
Some place where we can live a life all our own  
For I know you love me and happy we could be  
If some folks would leave us alone
