Sara

Love Arcade

Hey sara, haven't seen you in a while
but don't worry, i've been working up a smile
i started doing drugs, no i haven't fell in love
about to quit the band, but i think you'll understand
i'm coming home

(i'm coming home soon...) just think about it
(i'm coming home soon...) nothing to do but think about it
(i'm coming home soon...) just think about it
(i'm coming home soon...) just think about it

hey sara, haven't seen you in so long
and what im doin oh i know that its is so wrong
but it's okay, i'm all right, i can tuck you in tonight
i'll see you in a bit, here's a song so you don't quit waitin
Im coming home

(i'm coming home soon...) just think about it
(i'm coming home soon...) nothing to do but think about it
(i'm coming home soon...) just think about it
(i'm coming home soon...) just think about it

i'm coming home

i'm coming so soon (just think about it)
coming home so soon (nothing to do but think about it)
so soon, coming home so soon (do we just think about it?)
just think about it...

nothing to do but think about it
do we just think about it?
just think about it
