

# Somebody

Hannah Georgas

No I never had the nerve to tell you  
So Iâ€™m sayin it now  
Every time you walk away  
I am kickin myself

And I know you donâ€™t know what you do  
What you do to me  
But it hurts like hell  
And I know you donâ€™t know what you do  
What you do to me  
But it hurts like hell

I just hope that someday somebodyâ€™s gonna break your heart  
Gonna break your heart  
And then youâ€™ll finally see  
Youâ€™re gonna feel what Iâ€™ve always  
What Iâ€™ve felt  
What Iâ€™ve felt

And you can just go on and say it  
I need to hear it  
Itâ€™d be better for me  
At least I know itâ€™s stoppin you  
And Iâ€™d hear the truth that I would believe

Yeah youâ€™d see the light  
and youâ€™d finally come to my side  
Yeah youâ€™d see the light  
and youâ€™d finally come to my side

I just hope that someday somebodyâ€™s gonna break your heart  
Gonna break your heart  
And then youâ€™ll finally see  
Youâ€™re gonna feel what Iâ€™ve always  
What Iâ€™ve felt  
What Iâ€™ve felt

And Iâ€™ll tell you itâ€™s not you  
But they donâ€™t wanna ruin what they know  
what they know

So I  
I just hope that you are gonna finally feel  
What Iâ€™ve always  
What Iâ€™ve always felt

I just hope that someday somebodyâ€™s gonna break your heart  
Gonna break your heart  
And then youâ€™ll finally see  
Youâ€™re gonna feel what Iâ€™ve always felt

And theyâ€™ll tell you itâ€™s not you  
But they donâ€™t wanna ruin what they know  
What they know

So I  
I just hope that you  
Youâ€™re gonna finally feel  
What Iâ€™ve always  
What Iâ€™ve always felt

Whoa-oh (x4)
