

Roll (Electric Kissing Parties, Pt. 1)

Ultimate Fakebook

Well, you know, I didn't mean to look your way,
but you knew why I was there - to know who's in your hair

Unless you want to, don't answer

Don't tell me what I want, hold on - hold onUnder the disco ball the scene is on
And you like the way I roll - your best friend told me so

Unless you want to, don't kill her

Before you go too far, hold on...It wasn't like she meant you harm, but I wouldn't give in
I had to twist her arm for a synonym - oo yeahWell, I asked the DJ for a Footloose song
He played "Almost Paradise," I felt you melt like ice...Onto my armour, onto my armour

Until my skin was cold and prickly from your fire

And if we make this song last until ALL SKATE,

Forever rolls along at any rate - oo yeahMy mom and dad say since it's a Friday
I can stay out until 1:00
'cause I'm a good kid!

And you know, I wanted to know if you would come...Unless you want to, don't answer
Before you get alarmed, hold on...

At least before your skates come off, tell me one more thing -
Do you want to roll around with me around this rink?
If you refused my arm, it wouldn't do me harm
Just say 'hi' to me on Monday
