

Undecided (The Master's Apprentices Cover)

Silverchair

Oh, there's no time,
To choose for yourself.
It's like the candle's lit at both ends now,
Deteriorating health.Parent's breakin' up,
Wish they would decide,
Whether to stay together
Can't make up their minds,They wonder why you need someone,
You get no freedom at all.
They want you to drop down and conform,
They make your self-esteem fall.Undecided,
can't make up their mind
Your parents collided
and left you behindIf there's a lock to their minds,
Can you tell me please.
I'll be straight,
Straight to get the keys.Undecided,
can't make up their mind
Your parents collided
and left you behindHer mother doesn't even know her name
Undecided.
If there is trouble, well she just gets the blame,
But denies it.Undecided,
can't make up their mind
Your parents collided
and left you behind
