Tragically Alright (feat. Ariel Pink)

Ex Cops

Blame me blame me for all your problems
Dont blame suicide
Take me, hate men call me your bestfriend
Dont make me die
Sit alive picture perfect portrait
Still moment in time
How long do we have to stay here
Don't make me try
Don't make me try
I'm not gonna frown
Not gonna cry
Tears of a clown
I'm not gonna drown
Not gonna fight
The Tears of a clown
Good song bad life pack up on in
Tragically alright
Standing on your explanations
Dont even try
Don't make me die
Lonely it's so lonely under the dark side of the sun
Blue lips dragging on the pavement
The whole world is done
I'm not gonna drown
Not gonna fight
Tears of a clown
Not gonna frown
Not gonna cry
The tears of a clown
