The Final Frontier

Jorn

I'm stranded in Space
I'm lost without trace
I haven't a chance of getting awayToo close to the Sun
I surely will burn
Like Icarus before me
Or so legend goesI think of my life
Reliving my past
There's nothing but wait 'til my time comesI've had a good life
I'd do it again
Maybe I'll come back
Some time afresh
For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them one last goodbyeThe Final Frontier...
The Final FrontierIf I could survive
To live one more time
I wouldn't be changing
A thing at allDone more in my life
Than some do in ten
I'd go back and do it
All over againFor I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbye
The Final Frontier...
The Final FrontierThere isn't much time
Must say my last rites
Nobody is here to read them to meMust say my goodbyes
If only a line
A message to tell them
In case they might find...For I have lived my life to the full
I have no regrets
But I wish I could talk to my family
To tell them that one last goodbyeThe Final Frontier...
