

If U Ever

Sinead O'connor

The memories you bring
Make my eyes both sting
I can't help that pain that's tearing
At my throat and my chest Where everything is kept
When I start remembering
How the clothes that you wore
Made my heart so sore I just couldn't think anymore
Of you once you were gone
And it's been so long
I've been carrying on And if u ever come home in the night
Darling I'd treat you right
Oh darling, I'd treat you right You got into your car and you drove as far
As you could and even further
And no matter how I sang
I just never can, stop needing your hand Though got into my own car and drove as far
As I could so that I might forget you
I never could, does that mean I'm no good?
If it doesn't it should But if u ever came home in the night
Darling I'd treat you right
Oh darling, I'd treat you right If u ever came home in the night
Darling, I'd treat you right
Darling, I'd treat you right
