

# How To Be Dead

## Wicker Park Soundtrack

Please don't go crazy if I tell you the truth  
No you don't know what happened and you never will if  
You don't listen to me while I talk to the wall  
This blanket is freezing, it's been out in the hall Where you've had me for hours  
Till I'm sure what I want  
But darling I want the same thing that I wanted before  
So sweetheart tell me what's up, I won't stop, no way Please keep your hands down, stop raising your voice  
It's hardly what I'd be doing if you gave me a choice  
It's a simple suggestion, can you give me sometime  
So just say yes or no, why can't you shoulder the blame? 'Cause both my shoulders are heavy  
From the weight of us both  
You're a big boy now so let's not talk about growth  
You've not heard a single word I have said, oh my God Please take it easy it can't all be my fault  
I haven't made half the mistakes that you've listed so far  
Oh baby let me explain something, it's all down to drugs  
At least I remember taking them and not a lot else It seems I've stepped over lines  
You've drawn again and again  
But if the ecstasy's in, the wit is definitely out  
Dr. Jekyll is wrestling Hyde for my pride
