Believer

David Sanborn

I'm a believer
She made a believer out of me
I'm a believer
That woman made me see
I really need her
Her love to set me free
I'm a believer
She made a believer out of meI'm a believer
She made a believer out of me
I'm a believer
That woman made me see
I really need her
Her love to set me free
I'm a believer
She made a believer out of meBeliver!I just can't help myself
She put a thing on me
