

Forward (feat. James Blake)

Forward

Best foot first just in case
When we made our way 'til now
It's time to listen, it's time to fight

Forward

Now we're going to hold doors open for a while
Now we can be open for a while

Forward

I love you more than this job, please don't work for me

Forward

Go back to your sleep in your favorite spot just next to me

Forward, forward
