

Footloose And Fancy Free

Camera Obscura

Buy me an advent calendar
It seems the thought of days without you make me sadder
Don't visit me now you make me want to do myself in
I'll see you sometime but I won't see you soon I know something's about you
I won't spill the beans
There's a spool in my own camera that's never been seen
I could write it all down but it won't be enough
I want you to be happy with someone to love It won't be me
It won't be you
Pretty soon we'll agree to be free
Footloose and fancy free
