

# Holy Mother

Eric Clapton

Holy mother, where are you?  
Tonight I feel broken in two  
I've seen the stars fall from the sky  
Holy mother, can't keep from cryingOh I need your help this time  
Get me through this lonely night  
Tell me please which way to turn  
To find myself againHoly mother, hear my prayer  
Somehow I know you're still there  
Send me please some peace of mind  
Take away this painI can't wait, I can't wait, I can't wait any longer  
I can't wait, I can't wait, I can't wait for youHoly mother, hear my cry  
I've cursed your name a thousand times  
I've felt the anger running through my soul  
All I need is a hand to holdOh I feel the end has come  
No longer my legs will run  
You know I would rather be  
In your arms tonightWhen my hands no longer play  
My voice is still, I fade away  
Holy mother, then I'll be  
Lying in, safe within your arms
