Be Hit

Smog

Every girl I've ever loved
Has wanted to be hit
Every girl I've ever loved
Wanted to be hit
Every girl I've ever loved
Has wanted to be hit
Every girl I've ever loved
Left me, 'cause I wouldn't do it.Got some advice for you friend
Ba-ba-bruise 'em, you'll never lose 'em
Ba-ba-bruise 'em, you'll never lose 'em
Alright nowSeems my sensitive touch
Can be given by, any old shmuck
