

Fallin' For You

Heather Headley

I'm fallin for you
All the things that you do
Make me feel like I'm one with the world
I'm falling for you
My heart will be true
Just as long as I'll be your girlRemember lying awake
Praying for a man like you
Wishing my fantasies could somehow someday come true
I wanted someone who would appreciate the things I do
I finally found my babyI'm fallin for you
All the things that you do
Make me feel like I'm one with the world
I'm falling for you
My heart will be true
Just as long as I'll be your girlDo you even know that I think about you constantly baby
Realize I'm more the woman than you'll ever need
Let me show you just how cool I think I think I can be
All I want is you babyI'm fallin for you
All the things that you do
Make me feel like I'm one with the world
I'm falling for you
My heart will be true
Just as long as I'll be your girl
