Maybe

Johnny Gill

Maybe your fault
Maybe unfair
Maybe I'm wrong
Maybe I careMaybe we're through
Falling in love
Maybe we're lost
But I, I can't go onWhat am I to do without you?
'Cause, baby, I'm a fool without you
But a fool in love with youMaybe I'm wrong
Maybe unfair
Maybe I'm gone
Maybe I'm there
Where do I go?
How did I get so confused?When the morning comes
I'll still be with you
But when tomorrow is through
Are we? MaybeMaybe I'm fine
Maybe I'm not
Maybe I'm sad
Or maybe I'm lostMaybe I'm wrong
For being with you
But maybe I'm strong
But now I must go onBaby, I can't do without you
Baby, I'm a fool without you
Come on, baby, 'til I know
I don't wanna let you go
'Cause I only wanna be with youMaybe I'm wrong
Maybe unfair
Maybe I'm gone
Maybe I'm there
Where do I go?
How did I get so confused?When the morning comes
I'll still be with you
But when tomorrow is through
Are we? MaybeI don't wanna say goodbye
I don't wanna live my life
Living without you
But these tears I'm crying
I can't denyMaybe I'm wrong

Maybe unfair
Maybe I'm gone
Maybe I'm there
Where do I go?
So confusedSee I gotta know, baby
When the morning comes
Will we be done?Maybe I'm wrong
Maybe unfair
Maybe I'm gone
Maybe I'm there
Where do I go?
So confusedI can't live without you
I can't live, baby
I can't live without you
Live without youMaybe I'm wrong
Maybe unfair
Maybe I'm gone
Maybe I'm there
Where do I go?
So confusedBut when tomorrow is through
Are we? Maybe
