

Lift the Name (Performance Track)

Highlands Worship

Come like you promised
I am desperate to see your face
Show me your glory
I need your presence every day I will lift the name of Jesus high
I will live my life for Him
There is none who's loved me greater
(there is none there is none) Come Holy Spirit
Walk beside me unveil my eyes
Show me Your power
O search my heart now and bring new life I will lift the name of Jesus high
I will live my life for Him
There is none who's loved me greater I will lift the name of Jesus high
I will live my life for Him
There is none who's loved me greater Yeaaaahhhhhh Sing! Let it ring
For the glory of the King
Sing! Let it ring
For the glory of the King I will lift the name of Jesus high
I will live my life for Him
There is none who's loved me greater
