Directions

Josh Rouse

Don't like the direction you are going to
Seems to lack the attention, that it used to
Stay out all night and get high with your friends
Wonder why you don't get one thing done
And you know, don't like the direction you are going toDon't like the direction you have come to
Now it has the attention that it used to
Stay home all night with the TV and wife
Comfortable life's not all it's cracked up to be
Don't like the direction you have come toAnd it's easy to get caught
And the weight of the world
It's falling on your face
So unsure that you wouldDon't like the direction you are going to
Seems to lack the attention, that it used to
Yeah, stay out all night and get high with your friends
Wonder why you don't get one thing done
And you know, don't like the direction you are going toYeah, it's easy to get caught
And the weight of the world
It's falling on your face
So unsure that you wouldDon't like the direction you are going to
Seems to lack the attention, that it used to
Yeah, stay out all night and get high with your friends
Wonder why you don't get one thing done
And you know, don't like the direction you are going to
