

# Spanish Harlem

## Neil Diamond

There is a rose in Spanish Harlem  
A red rose up in Spanish Harlem  
    It is a special one,  
    It's never seen the sun  
    It only comes out  
    When the moon is on the run  
And all the stars are gleamingIt's growing in the street  
    Right up through the concrete  
Soft and dreamin'I found a rose in Spanish Harlem  
    A red rose up in Spanish Harlem  
    With eyes as black as coal  
    That look down in my soul  
    And starts a fire there  
    And then I lose control  
I have to beg your pardonI'm going to pick that rose  
    And watch her as she grows  
    In my garden
