

# All I Have Is Today

**Robert Earl Keen**

I woke up in another strange place by a 40 acre parking lot with every kind of sign  
I was talking to another strange face who was tellin' me that he didn't have the time  
Chorus: All I want to do is  
climb that mountain; All I need is the other way  
All I am is a lost soul, searchin' All I have is today  
I was walkin' through the sands of silver to the Sapphire  
canyon on the River of Jade  
I was followin' a gold sun settin' when suddenly the light began to fade...  
Chorus: I was ridin' in a black Tornado with the top pulled down and the lights on dim.  
I heard angels singin' in the darkness, singin' some Southern gospel hymn...  
Chorus:
