Have a Nice Day

Carlos Jean

I heard it from the gangster I heard it from the priest
I heard it from my best friend way down in the Middle East
Have a nice day, that's all I hear every day
Have a nice day, I don't believe a word you say
I heard from the landlord when he kicked me out
I heard it from the spirits as they possessed my house
Have a nice day, that's all I hear every day
Have a nice day, I don't believe a word you say
When they look me in the eye I turn the other way
It's just a trained reaction something they gotta say, yeah
I heard it from New Zealand I heard it at the club
I heard it from my doctor before he pulled the plug
Have a nice day, that's all I hear every day
Have a nice day, I don't believe a word you say
Have a nice day, that's all I hear every day
Have a nice day, I don't believe a word you say
