

# Have a Nice Day

## Carlos Jean

I heard it from the gangster I heard it from the priest  
I heard it from my best friend way down in the Middle East  
    Have a nice day, that's all I hear every day  
    Have a nice day, I don't believe a word you say  
    I heard from the landlord when he kicked me out  
    I heard it from the spirits as they possessed my house  
        Have a nice day, that's all I hear every day  
        Have a nice day, I don't believe a word you say  
        When they look me in the eye I turn the other way  
    It's just a trained reaction something they gotta say, yeah  
    I heard it from New Zealand I heard it at the club  
    I heard it from my doctor before he pulled the plug  
        Have a nice day, that's all I hear every day  
        Have a nice day, I don't believe a word you say  
        Have a nice day, that's all I hear every day  
        Have a nice day, I don't believe a word you say
