Plans

Dinosaur Jr.

Well, I followed you that time
Things that touched me slipped my mind
If you help me then I'll try and I'll believe youI need time, could you explain?
I've been caught up in my pain
And it's really not the same, you can see itI got nothing left to be
Do you have some plans for me?
I got nothing left to be
Do you have some plans for me?I can't filter what I want
See my face and see the cost
All that's good that just got tossed and I keep waitingAnd I don't know what to drink
I get twisted everything
I need you to see me sing, can you believe it?I got nothing left to be
Do you have some plans for me?
I got nothing left to be
Do you have some plans for me?I know you do, I know you do
I know you do
I know you do, I know you do
I know you do, I know you doNow I know you came
Now I know you know my name
Don't let me be the sameWell, I followed you for years
I've got pain and I've got fears
Then there's moments when it clears and I've been waitingI got nothing left to be
Do you have some plans for me?
I've got nothing left to be
Do you have some plans for me?
Do you have some plans for me?I know you do, I know you do
I know you do
I know you do, I know you do
I know you do, I know you doFor me, for me, for me, for me
