

Crazy Babies

Ozzy Osbourne

Crazy

Babies

Crazy babies never say die

Born to live on a permanent high

Flying high above the world below

They'd better come down soon or everyone will know just why

Nobody's gonna change them, change them

They've gone over the top

Nobody's gonna tame them, tame them

They're never gonna stop

Walk that walk

Talk that talk

Walk that walk

Talk that talk

Crazy

Babies

When they were born they were born to be wild

Some say, "I'm another devil's child"

Crazy babies in a world of their own

I am a crazy baby, you'd better leave me alone tonight

Nobody's gonna change me, change me

I'm gonna do it 'til I die

Nobody's gonna tame me, tame me

So you better not try

Walk that walk

Talk that talk

Walk that walk

Talk that talk

Crazy

Babies

No use talkin' 'bout if they'll last

Where they're goin' or about their past

They're just the result of our society

So frustrated just like you and me, that's right

Nobody's gonna change them, change them

They've gone over the top

Nobody's gonna tame them, tame them

They're never gonna stop

Walk that walk
Talk that talk
Walk that walk
Talk that talk
