

Black & Blue (Andy George & Jaymo Remix)

Miike Snow

Anything we should know about your change?

How long has it been, shall we get into it again?

Excuse, our disgrace we've had no time to paint the place

The dog is always barking at the mailmanI won't waste your time with my revelation

Hello my friend, I see you're back again

Hello mystery, don't bother to explain

How bout maybe, its all been in my head

Hey well I'm tired of this black and blue, black and blueMy dear, come again? Your voice is fading out and in

Out of the laundry bin, I found my innocence again

The dog is always barking at the mailmanI won't waste your time with my revelation

Hello my friend, I see you're back again

Hello mystery, don't bother to explain

How bout maybe, its all been in my head

Hey well I'm tired of this black and blue, black and blue
