

Drop Dead Gorgeous

Aerosmith

Totally outta control...(control) (control)... she owns me
I didn't know that she'd know...(she'd know) (she'd know)... she stoned me
I think I got it bad and I can't let it go
I thought I knew me much better
Autumn and cashmere all orange and green
She's naturally drop dead gorgeous
Creme' de gardenia and black Vaseline
She's naturally drop dead gorgeous
It's so not fair...completely inside my head
Imagine pretending she's the book that I've read
With a beautiful ending
It really drives me mad I can't leave her alone
'Cuz I won't let me forget her
Rose colored glasses you know what that sez
She's naturally drop dead gorgeous
Her sweet molass' is all mine pasque frez
She's naturally drop dead gorgeous
(Yeeaaahh)...yeah
Totally out of control she owns me
Sweet almond eyes just to see and be seen
She's naturally drop dead gorgeous
She's tasting like cherries sweet love's grenadine
She's naturally drop dead gorgeous
Makes love like a rabbit to my velveteen
She's naturally drop dead gorgeous
A ten with a smile like a young Norma Jean
She's naturally drop dead gorgeous...gorgeous
