

Stop the Insanity

Leftover Crack

white & blue & bloody red
stars and stripes for the mis-lead
convenience stores with neon lights
where burger kings rule tainted nights
stop the insanity let's end humanity
kill all earth's residents let's start with the president
this sick atrophic stolen land
means nothing more than modern man's
greed & hate & racism
and what we have is a fucked up system
let's stop the insanity let's end humanity
mediocre generic let's start with america
let's kill the cops, the C.I.A
the F.B.I , the P.T.A
the N.F.L, the N.R.C.
let's kill you and let's kill me
let's stop the insanity let's end humanity
mediocre generic let's start with america
