

Side EFX

Gucci Mane

Southside on the track, yeah
Gato I pop a whatchya-ma-call-it, but it got side-effects (hu?)
Dick rock-hard like a mountain (hard)
Hit it from the side, that's a side-effect
I'm a Zone 6 nigga, now you're my bitch
Slurpin' up the drank and it got side-effects
Shit expensive, bitch, you thirsty like a cactus
Tried to DM a bad bitch, but he got catfished
Doin' editin', turns out she's just a fat bitch
Tryna keep her with the 'Wop, but it got side-effects
He filin' bankrupted, turned up on the internet (is Gucci)
He needs the Wraith, he deficient on his taxes (he?)
Thought he was trappin', where the cash at, you stashed it
I'm El Gato, front door, but it got side-effects
My door defy the laws of science, I'm a scientist
I put a key in my rerock machine and press it
It came from Tijuana but I had to stretch it
Cartel affiliations, man, they causin' side-effects
I'm talkin' pull up to the plug in a private jet
I'm talkin' numbers so low, it got me cheesin' (low)
Blowin' numbers like trees, Big Meechin'
I'm droppin' good game on your big peaches (ey big)
I just scope-tracked the trailer, free reefer
Side-effects strike first, Grim Reaper
Desert Eagle, .45, street-sweeper (pow pow)
Like Gucci really see dead people (Lord)
I mean really man, I see dead people (God)
Body found, don't make it a sequel
Side-effect, me and you are not equal
Growin' up, I did shit so evil (huh?)
Yesterday, half a mil' for two features (hoo)
Niggas warin' in the streets, we ain't equal
If I get caught, I see no evil
A side-effect, I bought a brick and two Beepers
How you snitchin' on a nigga that feed you?
A side-effect, get rich, they turn evil (rich)
Is that a car, is that a plane? No, that's a creature (skrrt)
