

# But It's Alright

## Huey Lewis & The News

You don't know how I feel  
You never know how I feel  
When I needed you to come around  
You always try to put me down  
Well, I know girl, believe me when I say  
That you are someday gonna pay  
Girl, but it's alright, alright girl  
You can hurt me but it's alright  
Hey, now one day you'll see  
You'll never find a guy like me  
Who'll love you right, both day and night  
You never have to worry 'cause it's alright  
Oh, but I'm tellin' you girl and I know that it's true  
I want some mixed [Incomprehensible] you  
Girl but it's alright, alright girl  
You can hurt me but it's alright, oh yeah

Oh yeah  
My, my, my, baby  
I said it's alright, alright girl  
Hey, now it's alright, alright girl  
Now everything I wanna say, yeah  
You'll meet a guy that'll make you pay  
He'll treat you bad and make you sad  
And you will ruin the love you had  
Oh, but I'd hate to say I told you so  
Baby, you got to, got to reap what you sow  
Girl, but it's alright, alright girl  
You are payin' now but it's alright  
Goodbye love, goodbye girl  
You're payin' now but it's alright  
You hurt me once, you hurt me twice  
Oh, but a baby, that don't cut no ice
