Devotion

Kap Bambino

Wrap me up like a gift Whisper in my ear say I'm the shit Can you feel my eyes on your face? Tears in your mouth, give me a kiss Now bring your body closer Pin me to the wall like a poster Tonight's your turn so baby order Now I'm biting on your body like an hors d'oeuvre Tonight you can take what you want from me Expose my devotion I'ma do you good from your head to your feet Expose my devotion And all you gotta do is ask I'm right on top of it, I'll handle that task Tonight I'm all yours baby Expose my devotion To you, to you, to you To you, to you, to you, to you Devotion to you To you, to you, to you To you, to you, to you, to you Devotion to you Lock it on my body, boy come in I'ma rock it like a baby in a crib Give you the whole thing not just the cliff Now let me feel you under my skin

I say I love you, I'ma prove it
Do anything for you watch me do it
Boy you know you hot boo
So take me I'm yours
Tonight you can take what you want from me
Expose my devotion
I'ma do you good from your head to your feet
Expose my devotion
And all you gotta do is ask
I'm right on top of it, I'll handle that task
Tonight I'm all yours baby
Expose my devotion

To you, to you, to you

To you, to you, to you

Devotion to you

To you, to you, to you

To you, to you, to you

Devotion to you

Devotion to you

Baby, tonight I'm gonna verify my love

And after tonight you won't compare another girl

So hop on my flight, I'm gonna take you out this world

You better hold on tight so make tonight last forever

Hey, I was just thinking about you

What are you doing?
Why don't you come over here first?
Okay, see you in a minute, bye
