

Angel In My Heart

[Jump5](#)

I heard a whisper that touched deep inside my soul
Like some familiar melody
A hidden chapter from a story left untold
I gotta feeling, I could believe in[Chorus:]
There is an angel in my heart
Feels like I'm guided by a candle in the dark
Its taken all this time
To finally find out what I could never see
An angel in my heart
You were there for me
Now there is no doubt that there will always be
An angel in my heart You were the friend, you were the one I could confide in
You gave me strength that I could never find
Deep emotions that's I've always been denying
I believe in, its so close now, its you that
I'm feeling[Chorus]
