

# Crazy Party

## King

Our dancingâ€™s fast on borrowed time,  
when cruising is the party line.  
Iâ€™m tired of all these alibis.  
shouldâ€™ve been right by now.  
Hollywoodâ€™s got this story sown,  
about the goose step crews from the red light zone.  
Forget all those old lover songs, and good old summer timesâ€!

### Chorus:

That Crazy Party from Holly-Hollywood  
Send their invite, to the party, from Holly-Hollywood  
Iâ€™m talking mushroom parties from Holly-Hollywood  
That Crazy Party from Holly-Hollywood

The street does broadcast lullabies.  
They sympathise and they pacify.  
Iâ€™m tired of all these alibis.  
shouldâ€™ve been right by now.

### Chorus:

That Crazy Party from Holly-Hollywood  
Send their invite, to the party, from Holly-Hollywood  
Iâ€™m talking mushroom parties from Holly-Hollywood  
That Crazy Party from Holly-Hollywood

That Crazy Party in Holly-Hollywood  
That Crazy Party in Holly-Hollywood

(shouldâ€™ve been right by now)  
(shouldâ€™ve been right by now)

### Chorus:

That Crazy Party from Holly-Hollywood  
Send their invite, to the party, from Holly-Hollywood  
Iâ€™m talking mushroom parties from Holly-Hollywood  
That Crazy Party from Holly-Hollywood
