Girl You Know It_s True

Milli Vanilli

I'm in love with you girl 'cause you're on my mind
You're the one I think about most every time
And when you pack a smile in everything you do
Don't you understand, girl, this love is trueYou're soft, succulent so sweet and thin
That's kind of like a vision upon your skin
It lightens up my day, and that's oh so true
Together we're one separated we're twoTo make you all mine, all mine is my desire
'Cause you contain a quality, you that I admire
You're pretty plain and simple, you rule my world so try to understand
I'm in love girl, I'm in so love girl I'm just in love girl, and this is trueGirl, you know it's true ooh, ooh, ooh I love you
Yes, you know it's true ooh, ooh, ooh I love you
Girl, you know it's true my love is for you
Girl, you know it's true my love is for youThis is some sort of thing, girl, I can't explain
My emotions starts up when I hear your name
Maybe your sweet sweet voice would ring in my ear
Then delay my system when you are nearCome with your positive emotion, love, making enjoyin'
That's for me to bust it's like a girl and a boy
These feelings I get I often wonder why
So I thought I might discuss this, girl, just youAnd I now what you're wearing I don't care, as I've said before
No reason that I like you, girl, just for what you are
If I said I'd think about it, you rule my world so try to understand
I'm in love girl, I'm in so love girl, I'm just in love girl, and this is trueGirl, you know it's true, ooh, ooh, ooh I love you
Yes, you know it's true, ooh, ooh, ooh I love you
Girl, you know it's true, my love is for you
Girl, you know it's true, my loveGirl, you know it's true, ooh, ooh, ooh I love you
Yes, you know it's true, ooh, ooh, ooh I love you
