

Faded Love

[Eddy Arnold](#)

As I look at the letters that you wrote to me
It's you that I'm thinking of
As I read the lines that to me were so sweet
I remember our faded love I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love I think of the past and all the pleasures we had
As I watch the mating of the dove
It was in the springtime that you said, "Goodbye"
I remember our faded love I miss you darling more and more every day
As heaven would miss the stars above
With every heartbeat I still think of you
And remember our faded love
And remember our faded love
