

# Have I Told You Lately

## Van Morrison

Have I told you lately that I love you  
Have I told you there's no one above you  
    Fill my heart with gladness  
    Take away my sadness  
Ease my troubles, that's what you doOh the morning sun in all its glory  
    Greets the day with hope and comfort too  
    And you fill my life with laughter  
    You can make it better  
Ease my troubles that's what you doThere's a love that's divine  
    And it's yours and it's mine  
    Like the sun  
    At the end of the day  
We should give thanks and pray to the OneHave I told you lately that I love you  
    Have I told you there's no one above you  
    Fill my heart with gladness  
    Take away my sadness  
Ease my troubles, that's what you doThere's a love that's divine  
    And it's yours and it's mine  
    And it shines like the sun  
At the end of the day we will give thanks and pray to the OneHave I told you lately that I love you  
    Have I told you there's no one above you  
    Fill my heart with gladness  
    Take away my sadness  
Ease my troubles, that's what you doTake away my sadness  
    Fill my life with gladness  
Ease my troubles that's what you do  
    Fill my life with gladness  
    Take away my sadness  
Ease my troubles that's what you do
