

# There'll Be A Hot Time In The Town Of Berlin

Dean Martin

There'll be a hot time in the town of Berlin  
When the Yanks go marching in  
I want to be there boy, spread some joy  
When they take old Berlin  
There'll be a hot time in the town of Berlin  
When the Brooklyn boys begin  
To take the joint apart, tear it down  
When they take old Berlin  
We're going to start a row, show 'em how  
Paint the town down in Kokomo  
Take a hike through Hitler's Reich  
Change the heil to whatcha-know-Joe  
There'll be a hot time in the town of Berlin  
Yanks go marching in  
Well you can never keep them happy down on the farm  
After they take Berlin  
We're going to start a row, show them how  
Paint the town down in Michigan  
We're gonna take a hike through Hitler's Reich  
Change the heil to give-me-some-skin  
There'll be a hot time in the town of Berlin  
The Yanks go marching in  
Well you can never keep them happy down on the farm  
After they take Berlin
