Seven Headed Whore

Iced Earth

Lord of flies, lord of death, lord of hate
Deceive the masses in the dark, seal their fate
Divide and conquer keep the wicked in control
Hellfire on earth feeds its stated goalsFallen angels, ancient demonsSeven heads, seven kings, ten horns
Ride the dragon heed the seven headed whore
As the peasants feast on drunken fornication
They feed their children to the beast abominationFallen angels, ancient demons
Anointed by the crown
The vile heads of state
Form the evil kingdom
Seven headed whoreAnointed by the crown
The vile heads of state
Form the evil kingdom
Seven headed whoreFalse gods seed division and deceit
Sovereign city holds the secrets that we seek
Lift the veil as the battle rages on
Kingdoms fall with the whore of BabylonFallen angels, ancient demonsAnointed by the crown
The vile heads of state
Form the evil kingdom
Seven headed whore
Anointed by the crown
The vile heads of state
Form the evil kingdom
Seven headed whore
