

Yellowman

Yellowman

His eyes are closed his face pale asleep
on the ground a newspaper reads
the blood has spilled again
and you just dream my yellowman
yellowman

The angels burn a torch to keep us warmHis lungs are wide awake but he won't breathe
He spits out the ocean and we dream
like goldfish in a bowl
They think we're free
yellowman

You're tying rocks to clouds to stay above the crowds
The angels burn a torch to keep us warmthe blood has spilled againand you just dream
yellowman

You never see the bloodstains on the battlefield
The angels burn a torch to keep us warm
