

# Come An' Get It

## Whitesnake

Are you woman enough  
To take a man like me  
Baby, I know what you got  
You make it easy to see Now I want to give you my loving  
Believe me, babe, it's true  
Maybe more than you bargained for,  
But, now it's up to you So if you want it, come an' get it,  
I got something for you  
If you want it, come an' get it,  
I'll leave it up to you Are you a women who takes  
Anything you want  
Or the kind who says that you do  
Then tell me later you don't Now I want to give you my loving  
I knew the moment we met  
You gotta take me as you find me, baby,  
Cause what you see is what you get So if you want it, come an' get it,  
I got something for you  
If you want it, come an' get it,  
I'll leave it up to you Are you woman enough  
To take a man like me  
Baby, you know what I got  
I make it easy to see So if you want it, come an' get it,  
I got something for you  
If you want it, come an' get it,  
I'll leave it up to you
