

Raining Sunshine

Miranda Cosgrove

Sunshine, sunshine, raining sunshine
When you think all hope is gone
There's a place somewhere beyond
Take a chance and realize
It's right before your very eyes
Leave the dark clouds far behind
And step outside, the weather's fine
It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine
As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine
Sunshine, sunshine, raining sunshine
Sunshine, sunshine, raining sunshine
Something's in the atmosphere
Don't be scared of what you fear
Look around the storm has passed
Just hurricanes of happiness
Raise up your umbrellas high
And stand beneath the clear blue sky

It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine
As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine
Too many wonders to explain
Rays of sunlight, drops of rain
Coming down from up above
Cloudy with a chance of love
Can't you feel it in the air?
Sweet sensations everywhere
Whatever weather is in store

Bring it on, cause I want more
Sunshine, sunshine, raining sunshine
Sunshine, sunshine, raining sunshine
It's raining sunshine
It's raining sunshine
All over mankind
It's raining sunshine
As real as it can be
Believe in what you see
It's not just in your mind
It's raining sunshine
