

Crush (Ft. Jamal Millner)

Dave Matthews Band

Crazy how it feels tonight
Crazy how you make it all alright love
You crush me with the things you do
I do for you anything too
Sitting, smoking, feeling high
In this moment it feels so right
Lovely lady
I am at your feet
God I want you so badly
I wonder this
Could tomorrow be
So wondrous as you there sleeping
Let's go drive 'til morning comes
Watch the sunrise
To fill our souls up
Drink some wine 'til we get drunk
It's crazy I'm thinking
Just knowing that the world is round
Here I'm dancing on the ground
Am I right side up or upside down
Is this real or am I dreaming
Lovely lady
Let me drink you please
I won't spill a drop, I promise you
Lying under this spell you cast on me
Each moment
The more I love you
Crush me
Come on
It's crazy I'm thinking
Just knowing that the world is round
Here I'm dancing on the ground
Am I right side up or upside down
Is it real or am I dreaming
Lovely lady I will treat you sweetly
Adore you
I mean
You crush me
It's times like these
When my faith I feel
And I know
How I love you
Come on
Lady
It's crazy I'm thinking
Just as long as you're around
And here I'll be dancing on the ground

Am I right side up or upside down
To each other we'll be facing
By love we'll beat back the pain We've found
You know
I mean to tell you all the things I've been thinking deep inside
My friend
With each moment the more I love you
Crush me
Come on
Lady So much you have given love
That I would give you back
Again and again
Meaning I'll hold you
And please
Let me always
