Jesus & The California Kid

Jesus and the California Kid
Oh what Jesus did for the California kidThere's a school kid on the coastline
Who's the textbook case of cool
He's out of sight, he surfs alright
And he ain't nobody's foolHe's got a face that fits on GQ
And a natural taste in style
And everybody likes him
With that million dollar smileWell, you might think he parties
And gets and girl he want
And he hangs out with the wicked
But he needs no silly stuntsHe got a different kind of attitude
That most cool dudes don't have
He's got a personal life with Jesus
And he walks on the narrow pathJesus and the California Kid
Oh what Jesus did for the California kidOne time God became a man
And He walked upon the earth
He didn't have a cool car
And I don't think He liked to surfBut He most of had something in common
To do what He did
'Cause He died for you and I
And He died for the California KidJesus and the California Kid
Oh what Jesus did for the California kid
