Your New Beloved

Lovelife

All the time I think of you
Holding on to someone new
Don't make me lose my mindI simply refuse to believe it
You're like somebody different
Like a lost bird gliding
To the tops of the mountains
In search of something
And I can hear your heart beat
But is it drugs or love yeahAll the time I think of you
Holding on to someone new
Don't make me lose my mindRemember staying up all weekend
Didn't eat, didn't sleep yeah
But what's the point when you're breathless
You said that you would never stop loving me
Well do you lie through your back teeth
To your new belovedAll the time I think of you
Holding on to someone new
Don't make me lose my mindAll the time I think of you
Holding on to someone new
Don't make me lose my mindAnd I'm running away, I'm running away
I'm changing my name
I never want to be seen again, oh no or heard againAnd I'm running away, I'm running away
I'm changing my name
I never want to be seen again, oh no or heard againAnd I'm running away, I'm running away
I'm changing my name
I never want to be seen again, oh no or heard againAnd I'm running away, I'm running away
I'm changing my name
I never want to be seen again, oh no or heard againAnd I'll keep pushing it
To the back of my head
I don't want, I can't deal with it
I am done, I am through with this.
One day we will meet after everything
We will drink and make amends
Raise a toast to your old beloved
