

# Stronger

Mary J Blige

We've been through the storm  
We've been through it all  
We had some close calls  
But never would fall  
We climbed all the mountains  
Walked through all the valleys  
And you never left me behind  
I found my way through the clouds  
No more runnin' scared and closing my eyes, oh  
I will be true, this love from my heart  
I'm laying my life on the line  
Oh, I will survive  
As long as it's you by my side  
I will survive  
As long as it's you by my side  
I'm stronger, stronger, stronger  
I'm stronger, stronger, stronger  
They said we wouldn't make it  
But guess what, we made it  
And we got them wondering how  
You were always for me  
Never been the one to hurt me  
You gave me peace of mind  
I found my way through the clouds  
No more runnin' scared and closing my eyes, oh

I will be true, this love from my heart  
I'm laying my life on the line  
Oh, I will survive  
As long as it's you by my side  
I will survive  
As long as it's you by my side  
I'm stronger, stronger, stronger  
I'm stronger, stronger, stronger  
Sometimes I can't believe  
That you are with me  
There's nobody lucky as me  
So I get on my knees  
To make sure that He

Knows that I'm grateful  
For what He gave me  
I will survive  
I will survive  
As long as it's you by my side  
I will survive  
I will survive  
I'm stronger, stronger  
I'm stronger, stronger  
I'm stronger, stronger  
I will survive
